1. What Progress you have made in the Project ?

Progress is made in the selection of project, As faculties told us to do some innovative or new and useful so, we did research for the ideas and topics based on problem and then on the basis of that we are continuing the project.

2. What challenge you have faced ?

While going through number of sources and information available we didnt find the much implementation of our project in India but we have some nice implementations, so thats a huge challenge for us to compete with it.

3. What support you need ?

We need to find or do research more on the project we have selected and need full support from guide and faculties.

4. Which literature you have referred ?

We gone through many literature and some projects. we refered some websites and apps that are working on somehow same concepts as our project.
